Professional Summary

B.Tech graduate in Electronics & Communication Engineering with hands-on experience in Java, Spring Boot, Hibernate, JPA, SQL, and PostgreSQL. Developed a RESTful Employee Management System implementing CRUD operations using Spring Boot, Spring Data JPA, and Hibernate with a layered architecture. Strong foundation in Object-Oriented Programming, exception handling, JDBC, and database concepts, with a keen interest in Java backend development and building reliable software applications.

Technical Skills

Languages: Java, SQL, HTML, CSS

Core Java: Object-Oriented Programming, Exception Handling

Backend: Spring Boot, Spring Data JPA, Hibernate, JDBC, REST APIs

Databases: PostgreSQL, MySQL

Projects

Employee Management System

Technologies: Java, Spring Boot, Spring Data JPA, Hibernate, PostgreSQL, REST APIs

- Developed a RESTful Employee Management System using Spring Boot and PostgreSQL.
- Implemented CRUD operations for employee records using Spring Data JPA and Hibernate.
- Designed a layered architecture using Controller, Service, Repository, and Entity components.
- Developed REST APIs for creating, retrieving, updating, and deleting employee records.
- Integrated PostgreSQL for persistent storage and database management.

Car Rental Management System

Technologies: Core Java, JDBC, MySQL, SQL

- Developed a console-based Car Rental Management System using Core Java, JDBC, and MySQL to manage vehicles and rental operations.
- Implemented CRUD operations for car records using JDBC and SQL, including adding, viewing, searching, updating, and deleting cars.
- Integrated MySQL for persistent data storage and used PreparedStatement for executing parameterized database queries.
- Implemented car rental and return functionality with availability tracking and rental bill calculation.
- Applied exception handling and input validation to improve application reliability and user experience.

Certification

TCS iON Career Edge – Young Professional Certification

Achievements

- Secured 2nd Position in a Debate Competition.
- Contributed to organizing college-level events, demonstrating leadership and teamwork.
